

NAVIGATION ADVISORY NOTICE

RIVER NENE

DATE: **23 August 2019 – until further notice**

LOCATION: **Earls Barton Lock**

DETAILS:

Boaters are advised that one paddle has failed a recent test and has been locked out of service.

Please use the other paddle when operating the lock.

When using this remaining paddle do not use excessive force during the lowering or raising operation.

We are working to rectify this issue early next week and apologise for any inconvenience caused.

We apologise for any inconvenience caused.

Irven Forbes
Waterways Manager
23 August 2019

You can also contact us at the Environment Agency on 03708 506 506 between 9am and 5pm, Monday to Friday and ask for the Waterways Team in the Lincolnshire & Northamptonshire Area.
