

## NAVIGATION ADVISORY NOTICE

### RIVER GREAT OUSE

---

**DATE:** 7 May 2021 – Until Rescinded

---

**LOCATION:** Earith Sluice – Brownshill to Hermitage Lock

---

#### DETAILS:

Please be aware Earith Sluice will be operating to allow small flows through on the Ouse washes. Levels may fluctuate between Brownshill and Hermitage Lock during this period. We will be monitoring the levels at Earith to minimise the chances of navigation being affected by this operation. However we advise keeping to the centre of the channel when underway except when passing river traffic to minimise any grounding risk.

Please also be aware that there could be increased flows close to the sluice so we advise caution when passing this area.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Great Ouse Waterways team
