

UPDATED NAVIGATION ADVISORY NOTICE

Environment
Agency

RIVER ELY OUSE AND TRIBUTARIES

DATE: 25 January 2021 – 16 April 2021

LOCATION: See Below

DETAILS:

Please be aware contractors will be carrying out invasive Pennywort removal and bushing works which will take place throughout various parts of the Ely Ouse and tributaries – including (but not limited to) the River Cam from Bottisham and downstream, the River Lark from Ouse confluence to Isleham, the Old West, Ely Ouse from Pope's Corner to Denver. Some bushing work will be carried

Please approach the area with caution and follow any on site instructions, however you are also reminded that you should only be navigating on the river in line with the current Government Coronavirus restrictions and latest travel advice.

To find out more about river levels and to sign up to Flood Warnings Direct to receive River Advice for Boater updates, please call our Customer Contact Centre on 03708 506 506. Or call our 24 hour Floodline service on 0345 988 1188.

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Great Ouse Waterways team
