NAVIGATION ADVISORY NOTICE

RIVER NENE

DATE: 1 March 2021 – 4 April 2021

LOCATION: Elton Lock Area – TL08290 93909

DETAILS: It is intended that our contractors will be carrying out remedial works on the defective sluice gate at Elton Lock during the stated timeframe.

While there should be little impact on navigation, you are advised to take extra care while navigating in this area and obey any Contractors instructions that may be given.

Boaters are reminded that navigation is still subject to the current Coronavirus restrictions and latest travel advice.

For further information, please contact Colin Richardson on 07702 719374 or contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Waterways team in the Lincolnshire & Northamptonshire Area.
